

Comp:

discover Puerto Rico.com
discover dominican republic.com

doing things differently:

cleaner interface
more access to history and information
a personal portfolio with its own design.

User flow:

Personas:

A father that wants to go on vacation with the family but really wants to be convinced before buying tickets.

A couple looking for fun things to do on a Friday night in San Juan

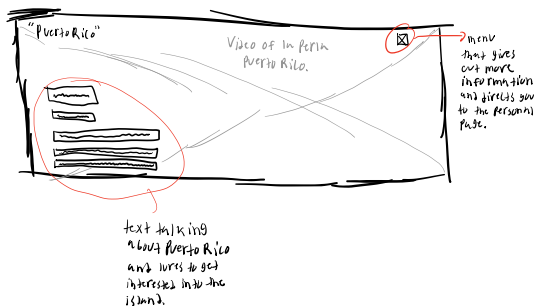

Surfers coming from far to surf some cool waves.

Images & Videos:

- PERLA.mp4: Video bought off the internet that will be

- Put in a loop and fitted as background.
- filmments.Jpeg: Image of a beach which serves as a background for my personal page.
